The Jacksonville Center for the Arts
220 Parkway Lane South, Suite 1
Floyd, VA 24091

In Person:

Stop by any time during business hours and our
friendly staff will be happy to assist you in registering
for classes.

INFORMATION

Course registrations are confirmed on a first-come, first-
served basis.

Tuition rates are based on the duration of the class and are
subject to change. Tuition does not include costs for lodging
and meals or class materials and facilities fees.

The Jacksonville Center for the Arts offers its members 20%
OFF most classes. Member prices are posted along with non-
member prices. Become a member today!

Due to the significant increase in operational expenses, the
center has instituted a \$5 facilities fee per 8 hour class day
to partially cover the overhead expenses for the classes.
Facilities fees should be paid at the end of each class, along
with any materials fees.

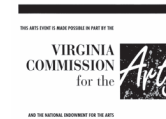

In an attempt to offset the increase in overall class fees, the
center is also offering work-study opportunities for qualified
individuals. Please contact the educational programming co-
ordinator or visit us online for more information: [education@
jacksonvillecenter.org](mailto:education@jacksonvillecenter.org)

Most of our classes adult level classes yet are open to enroll-
ment by responsible young adults. Minimum age-levels are
indicated in class descriptions online.
